MANAGEMENT INFORMATION CIRCULAR

This management information circular (the “**Circular**”) has been prepared in connection with the solicitation of proxies by the management of Renaissance Oil Corp. (“**Renaissance**” or the “**Corporation**”) for use at the annual general meeting (the “**Meeting**”) of holders of common shares of Renaissance (the “**Common Shares**”) to be held on Thursday, December 1, 2016 at the time and place and for the purposes set forth in the accompanying notice (the “**Notice**”). References in this Circular to the Meeting include any adjournment or postponement thereof.

Unless otherwise stated, the information contained in this Circular is as of October 24, 2016 and all dollar amounts referenced herein are expressed in Canadian dollars.

GENERAL PROXY MATTERS

Solicitation of Proxies

Proxies may be solicited by mail, telephone, email, facsimile or other electronic means. Proxies may be solicited personally by directors or regular employees of the Corporation. The cost of solicitation of proxies will be paid by the Corporation.

How to Vote

You can vote by proxy or you can attend the Meeting and vote your Common Shares in person. There are different ways to submit your voting instructions, depending on whether you are a registered or non-registered shareholder.

Voting at the Meeting will be by a show of hands unless a poll is required or requested. Only registered shareholders or proxyholders are allowed to make motions or vote at the Meeting.

Registered Shareholders

You are a registered shareholder if you have a share certificate registered in your name.

Voting by Proxy

Gordon Keep, Director, or failing him, Harpreet Dhaliwal, Chief Financial Officer, have agreed to act as the Renaissance proxyholders and each is an officer and/or director of the Corporation. **You have the right to appoint someone other than the persons designated in the enclosed form of proxy to attend and act on your behalf at the Meeting by printing the name of the person you want in the blank space provided. This person does not need to be a shareholder.**

On any ballot, your proxyholder must vote your Common Shares or withhold your vote according to your instructions and if you specify a choice on a matter, your Common Shares will be voted accordingly.

In respect of any matter for which a choice is not specified, the Renaissance proxyholder will vote in favour of such matter identified on the proxy and for the nominees of management for directors and auditors as identified in the proxy.

The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Circular, the management of Renaissance knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. **However, if any other matters which at present are not known to the management of Renaissance should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.**

If you appoint someone other than the Renaissance proxyholders to be your proxyholder, that person must attend and vote at the Meeting for your vote to be counted.

A proxy will not be valid unless it is signed by the registered shareholder, or by the registered shareholder's attorney with proof that they are authorized to sign. If you represent a registered shareholder that is a corporation, your proxy should have the seal of the corporation, if applicable, and must be executed by an officer or an attorney, authorized in writing. If you execute a proxy as an attorney for an individual registered shareholder, or as an officer or attorney of a registered shareholder that is a corporation, you must include the original or notarized copy of the written authorization for the officer or attorney with your proxy form.

If you are voting by proxy, send your completed proxy to the Corporation's transfer agent, Computershare Investor Services Inc. ("**Computershare**") by mail to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by toll free fax at 1-866-249-7775 in North America. You may also vote on the internet or by phone by following the instructions set out in the form of proxy. Computershare must receive your proxy by 10:00 a.m. (Vancouver time) on November 29, 2016, or 48 hours before the time the Meeting is reconvened if it is postponed or adjourned. The Chair of the Meeting has the discretion to accept late proxies.

Non-Registered Shareholders

The information set forth in this section is of significant importance to many shareholders as a substantial number of shareholders do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this information circular as "**Beneficial Shareholders**") should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those Common Shares will not be registered in the shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). The Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.

Applicable regulatory rules require intermediaries/brokers to seek voting instructions in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the Common Shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote Common Shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such Common Shares are voted.**

The Company will not pay for an intermediary to deliver proxy related materials and voting instruction forms to objecting beneficial owners (called OBOs for Objecting Beneficial Owners). OBOs have objected to their intermediary disclosing ownership information about themselves to the Company. Accordingly, OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

The Company is not relying on the "notice-and-access" delivery procedures outlined in National Instrument 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

Attending the Meeting and Voting in Person

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.

Changing Your Vote

Registered Shareholders

You can revoke your proxy by sending a new completed proxy form with a later date, or a written note signed by you or by your attorney if he or she has your written authorization. You can also revoke your proxy in any manner permitted by law.

If you represent a registered shareholder that is a corporation, your written note must have the seal of the corporation, if applicable, and must be executed by an officer or an attorney, authorized in writing. The written authorization must accompany the revocation notice.

The Corporation must receive the written notice of revocation any time up to and including the last business day before the day of the Meeting or the day the Meeting is reconvened if it is postponed or adjourned. Please send the written notice to the Corporation's registered office at: Cassels Brock & Blackwell LLP, re: Renaissance Oil Corp., Suite 2200, 885 West Georgia Street, Vancouver, British Columbia, V6C 3E8. You can also give your written notice to the Chair of the Meeting on the day of the Meeting before any vote in respect of which the proxy is to be used shall have been taken.

If you have sent in your completed proxy form and then decide you want to attend the Meeting and vote in person, you need to revoke the proxy form before you can vote at the Meeting.

Non-Registered Shareholders

Only registered shareholders have the right to revoke a proxy. Non-registered shareholders can change their vote by contacting your intermediary right away so they have enough time before the Meeting to arrange to change the vote and, if necessary, revoke the proxy.

Record Date and Shares Entitled to Vote

The board of directors of Renaissance (the "**Board**") has fixed the close of business on October 24, 2016 as the record date for the purposes of determining shareholders entitled to receive notice of the Meeting and vote at the Meeting (the "**Record Date**").

Only shareholders of record as of the Record Date, who either attend the Meeting personally or complete and deliver a form of proxy in the manner and subject to the provisions described above, will be entitled to vote or to have their Common Shares voted at the Meeting.

Quorum and Approval

A quorum of shareholders is required to transact business at the Meeting. A quorum is two persons who are, or who represent by proxy, shareholders who are entitled to vote at the Meeting.

A simple majority (50% plus 1) of the votes cast at the Meeting is required to approve all items of business.

Shares Outstanding and Principal Holders

The authorized share capital of the Corporation consists of an unlimited number of Common Shares without par value, each carrying the right to one vote and an unlimited number of preferred shares. As of October 24, 2016, there were a total of 159,781,469 Common Shares issued and outstanding and no preferred shares issued and outstanding. The Corporation has no other classes of voting securities.

To the knowledge of the directors and executive officers of the Corporation, as of the date of this Circular, no person or company owns, or controls or directs, directly or indirectly, 10% or more of the Corporation's outstanding Common Shares.

Interests of Certain Persons in Matters to be Acted Upon

None of the following persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, other than directors and executive officers of the Corporation having an interest in the resolutions regarding the approval of the Corporation's stock option plan as such persons are eligible to participate in such plan:

- (a) any director or executive officer of the Corporation who has held such position at any time since January 1, 2015;
- (b) any proposed nominee for election as a director of the Corporation; or

(c) any associate or affiliate of a person in (a) or (b).

Interests of Informed Persons in Material Transactions

The Corporation is not aware of any informed person or any proposed nominee for election as a director of the Corporation, or any associate or affiliate of the foregoing, who has had a material interest, direct or indirect, in any transaction entered into since January 1, 2015 or any proposed transaction, which has materially affected or would materially affect the Corporation.

An “informed person” means: (a) a director or executive officer of the Corporation; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Corporation; (c) any person or company who beneficially owns, or controls or directs, directly or indirectly, voting securities of the Corporation or a combination of both, carrying more than 10% of the voting rights attached to all outstanding voting securities of the Corporation other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Corporation itself, if it has purchased, redeemed or otherwise acquired any of its shares, for so long as it holds any of its shares.

PARTICULARS OF MATTERS TO BE ACTED UPON

Election of Directors

The Board presently consists of four directors and the Board has fixed the number of directors for election at the Meeting at four.

The Board has nominated four individuals to stand for election as directors. All four nominees are currently directors of the Corporation. Each elected director will serve for a one-year term which will expire at the next annual general meeting or once a successor is elected or appointed, or if the elected director otherwise ceases to be a director in accordance with the Articles of the Corporation or the provisions of the *Business Corporations Act* (British Columbia). Each of the nominated directors has confirmed his willingness to serve on the Board for the next year.

Advance Notice Provisions

At the Corporation's 2014 annual general meeting, the Corporation's Shareholders voted to adopt new articles of the Corporation. The new articles included the advance notice provisions (the “**Advance Notice Provisions**”). The Advance Notice Provisions include, among other things, a provision that requires advance notice be given to the Corporation in circumstances where nomination of persons for election to the Board are made by shareholders of the Corporation. The Advance Notice Provisions set a deadline by which shareholders must submit nominations (a “**Notice**”) for the election of directors to the Corporation prior to any annual or special meeting of shareholders. In the case of an annual meeting of shareholders, a Notice must be provided to the Corporation not less than 30 days and not more than 65 days prior to the date of the annual meeting. As of the date of this Circular, the Corporation has not received notice of a nomination in compliance with the Advance Notice Provisions.

Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Common Shares represented by such form of proxy, properly executed, FOR the election of the four director nominees.

The following provides information on the four director nominees including: (i) their province or state and country of residence; (ii) the period during which each has served as a director; (iii) their membership on committees of the Board; (iv) their present principal occupation, business or employment and in the last five years; and (v) their current equity ownership consisting of Common Shares, options and common share purchase warrants (“**Warrants**”) beneficially owned, controlled or directed, directly or indirectly.

Cease Trade Orders, Bankruptcies, Penalties or Sanctions

Except as set out below, no proposed director:

- (a) is, as of the date of this Circular, or has been, within 10 years before the date of this Circular, a director, chief executive officer or chief financial officer of any company (including the Corporation) that
- (a) was subject to an order that was issued while the proposed director was acting in the capacity of director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity of director, chief executive officer or chief financial officer; or

- (b) is, at the date of this Circular, or has been within 10 years before the date of this Circular, a director or an executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (c) has within 10 years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Gordon Keep, was a director of Rusoro Mining Ltd. (“**Rusoro**”) on May 21, 2013 when the British Columbia Securities Commission (“**BCSC**”) issued a cease trade order against Rusoro for failure to file its audited financial statements for the year ended December 31, 2012 and related MD&A. On June 5, 2013 and June 7, 2013, respectively, similar cease trade orders were issued against Rusoro by the Ontario Securities Commission (“**OSC**”) and the Autorite des Marches Financiers (“**AMF**”). On August 21, 2013 (BCSC), August 28, 2013 (AMF) and September 4, 2013 (OSC) granted full revocations of the cease trade order issued by each of them. Rusoro was unable to file its December 31, 2012 financial statements and MD&A by the required filing deadline because it experienced significant delays in preparing them due to the nationalization by the Venezuelan government of Rusoro's gold mining assets in Venezuela.

No proposed director has been subject to any penalties or sanctions imposed by a court relating to Canadian securities legislation or by a Canadian securities regulatory authority or has entered into a settlement agreement with a Canadian securities regulatory authority or been subject to any other penalties or sanctions imposed by a court, or regulatory body that would likely be considered important to a reasonable securityholder in deciding to vote for a proposed director, other than Ian Telfer, who entered into a settlement agreement with staff of the OSC in September 2013 with respect to allegations that he acted contrary to the public interest in connection with a share transaction in 2008. Mr. Telfer cooperated fully with staff and, pursuant to the settlement agreement, paid \$200,000 towards the costs of the investigation.

Appointment and Remuneration of the Auditor

At the Meeting, shareholders will be asked to approve the appointment of Deloitte LLP as the independent auditor of the Corporation to hold office until the 2017 annual meeting with remuneration to be approved by the Board. Deloitte LLP has been the independent auditor of the Corporation since November 6, 2014.

Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Common Shares represented by such form of proxy, properly executed, FOR the appointment of Deloitte LLP as the Corporation's independent auditor to hold office until the 2017 annual meeting with remuneration to be approved by the Board.

Approval of Stock Option Plan

The Option Plan

Effective September 12, 2014, the Board adopted a stock option plan dated August 12, 2014 (the “**Option Plan**”) which was approved by shareholders of Renaissance at the special meeting of shareholders held on September 12, 2014 and reapproved at the special meeting of shareholders held on December 8, 2015. The Option Plan was prepared in accordance with current policies of the TSX Venture Exchange (the “**TSXV**”). A copy of the Option Plan is available upon request by any shareholder at no charge, or may be reviewed at the Corporation's registered office during normal business hours until the date of the Meeting.

The Option Plan is a “rolling” stock option plan which sets the number of options available for grant by the Corporation at an amount equal to up to a maximum of 10% of the Corporation's issued and outstanding Common Shares from time to time, less any Common Shares reserved for issuance under other share compensation arrangements. Under TSXV policies, the Option Plan must be approved by the Corporation's shareholders on an annual basis. Therefore, shareholders are being asked to approve the Option Plan (with no amendments) at the Meeting.

The purpose of the Option Plan is to promote the profitability and growth of the Corporation by facilitating the efforts of Renaissance to attract and retain key individuals. The Option Plan provides an incentive for and encourages ownership of Common Shares by its key individuals so that they may increase their stake

in the Corporation and benefit from increases in the value of the Common Shares. Directors, officers, employees, consultants and eligible charitable organizations (as such terms are defined in the Option Plan) are eligible to be granted stock options under the Option Plan.

Pursuant to the Option Plan: (i) the aggregate number of options granted to any one person (and companies wholly-owned by that person) pursuant to the Option Plan and any other share compensation arrangement in a 12-month period must not exceed 5% of the issued Common Shares calculated on the date an option is granted to the person (unless the Corporation has obtained the requisite disinterested shareholder approval); (ii) the aggregate number of options granted to any one consultant in a 12-month period pursuant to the Option Plan and any other share compensation arrangement must not exceed 2% of the issued Common Shares, calculated on the date an option is granted to the consultant; (iii) the aggregate number of options granted to all persons retained to provide investor relations activities in any 12-month period pursuant to the Option Plan and any other share compensation arrangement must not exceed 2% of the issued Common Shares, calculated on the date an option is granted to any such person; and (iv) the aggregate number of options granted to all eligible charitable organizations in any 12-month period pursuant to the Option Plan and any other share compensation arrangement must not exceed 1% of the issued Common Shares, calculated on the date an option is granted to any such person. Subject to the Option Plan and otherwise in compliance with the policies of the TSXV, the Board shall determine the manner in which an option shall vest and become exercisable. Options granted to consultants performing investor relations activities shall vest over a minimum of 12 months with no more than one-quarter (1/4) of such options vesting in any three-month period. All options are non-assignable and non-transferable. Disinterested shareholder approval will be obtained for any reduction in the exercise price of a stock option if the optionee is an insider of the Corporation at the time of the proposed amendment.

Subject to a minimum exercise price of \$0.05 per Common Share, the exercise price per Common Share for an option shall be not less than the "Market Price" as calculated pursuant to the TSXV policies at the date of grant.

Every option granted under the Option Plan shall have a term not exceeding and shall therefore expire no later than 10 years after the date of grant (subject to extension where the expiry date falls within a "blackout period"). An option will be automatically extended past its expiry date if such expiry date falls within a "blackout period" during which the Corporation prohibits optionees from exercising their options, subject to the following requirements: (a) the blackout period must (i) be formally imposed by the Corporation pursuant to its internal trading policies; and (ii) must expire upon the general disclosure of undisclosed material information; and (b) the automatic extension of an option will not be permitted where the optionee or the Corporation is subject to a cease trade order (or similar order under securities laws) in respect of the Corporation's securities.

The Option Plan contains provisions for adjustment in the number of Common Shares or other property issuable on exercise of a stock option in the event of a share consolidation, split, reclassification or other capital reorganization, or a stock dividend, amalgamation, merger or other relevant corporate transaction, or any other relevant change in or event affecting the Common Shares.

Upon the occurrence of, among other things, a take-over bid, amalgamation, merger, arrangement or other business combination (each an "**Accelerated Vesting Event**"), the Board will have the power, at its sole discretion and without being required to obtain the approval of shareholders or the holder of any stock option, to make such changes to the terms of stock options as it considers fair and appropriate in the circumstances, including but not limited to: (a) accelerating the vesting of stock options, conditionally or unconditionally; (b) terminating every stock option if under the transaction giving rise to the Accelerated Vesting Event, options in replacement of the stock options are proposed to be granted to or exchanged with the holders of stock options, which replacement options treat the holders of stock options in a manner which the Board considers fair and appropriate in the circumstances having regard to the treatment of holders of Common Shares under such transaction; (c) otherwise modifying the terms of any stock option to assist the holder to tender into any take-over bid or other transaction constituting an Accelerated Vesting Event; or (d) following the successful completion of such Accelerated Vesting Event, terminating any stock option to the extent it has not been exercised prior to successful completion of the Accelerated Vesting Event. The determination of the Board in respect of any such Accelerated Vesting Event will for the purposes of the Option Plan be final, conclusive and binding.

In connection with the exercise of an option, as a condition to such exercise the Corporation will require the optionee to pay to the Corporation an amount as necessary so as to ensure that the Corporation is in

compliance with the applicable provisions of any federal, provincial or local laws relating to the withholding of tax or other required deductions relating to the exercise of such option.

According to the Option Plan, if a director, officer, employee or consultant is terminated for cause, then each option held by such participant shall terminate and shall therefore cease to be exercisable upon such termination for cause. If an optionee dies prior to otherwise ceasing to be an eligible person, each option held by such optionee shall terminate and shall therefore cease to be exercisable no later than the earlier of the expiry date and the date which is 12 months after the date of the optionee's death. Unless an option agreement specified otherwise, if an optionee (other than an optionee who is involved in investor relations activities) ceases to be an eligible person for any reason other than death or termination for cause, each option held by such optionee shall cease to be exercisable 90 days after such terminating event or for a reasonable period after the optionee ceases to serve in such capacity, as determined by the Board. If an optionee involved in investor relations activities ceases to be an eligible person for any reason other than death or termination for cause, each option held by such optionee shall cease to be exercisable 30 days after such terminating event or for a reasonable period after the optionee ceases to serve in such capacity, as determined by the Board.

If any portion of an option is not vested at the time an optionee ceases, for any reason whatsoever, to be an eligible person, such unvested portion of the option may not be thereafter exercised by the optionee or its legal representative, as the case may be, provided that the Board may, in its discretion, thereafter permit the optionee or its legal representative, as the case may be, to exercise all or any part of such unvested portion of the option that would have vested prior to the time such option otherwise terminates.

Stock options granted to an eligible charitable organization must expire after the earlier of a date that is not more than 10 years from the grant date of such option and the 90th date that the holder of such option ceases to be an eligible charitable organization.

Shareholder Approval Being Sought

As of October 24, 2016, 159,781,469 Common Shares are issued and outstanding. As of such date, the number of Common Shares issuable upon exercise of stock options that may be granted under the Option Plan is 15,978,146 or 10% of such number. As of such date, the Corporation had 15,976,000 options outstanding under the Option Plan (representing approximately 9.9% of the issued and outstanding Common Shares).

At the Meeting, shareholders will be asked to consider and, if deemed appropriate, to pass, with or without variation, a resolution, in the form set out below (the "**Option Plan Resolution**"), subject to such amendments, variations or additions as may be approved at the Meeting, re-approving the Option Plan.

The Board and management recommend the re-approval of the Option Plan.

To be effective, the Option Plan Resolution must be approved by not less than a majority of the votes cast by the holders of Common Shares present in person, or represented by proxy, at the Meeting. **Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Common Shares represented by such form of proxy, properly executed, FOR the Option Plan Resolution.**

The text of the Option Plan Resolution to be submitted to shareholders at the Meeting is set forth below:

"BE IT RESOLVED THAT:

1. Subject to regulatory approval, the Option Plan pursuant to which the directors may, from time to time, authorize the issuance of options to directors, officers, employees and consultants of the Corporation and its subsidiaries to a maximum of 10% of the issued and outstanding Common Shares at the time of the grant, be and is hereby ratified, confirmed and approved; and
2. Any director or officer of the Corporation is hereby authorized and directed, acting for, in the name of, and on behalf of, the Corporation, to execute or cause to be executed, and to deliver or cause to be delivered, such other documents and instruments, and to do or cause to be done all such acts and things, as may in the opinion of such director or officer be necessary or desirable to carry out the intent of the foregoing resolution."

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Corporation's shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Corporation.

National Policy 58-201 – *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies (the “**Guidelines**”). National Instrument 58-101 – *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices which disclosure is set out below, in accordance with Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)*.

Directors

A director is independent if he or she has no direct or indirect material relationship with the Corporation that the Board believes could reasonably be perceived to materially interfere with his or her ability to exercise independent judgment. Applicable securities laws set out certain situations where a director is deemed to have a material relationship with the Corporation.

Three of the Corporation's directors, Ian Telfer, Gordon Keep and Vadim Jivov are considered to be independent under applicable securities laws. Craig Steinke is not considered to be independent under applicable securities laws. Mr. Steinke is not considered to be independent as he is also the CEO of the Corporation.

Other Directorships

In addition to their positions on the Board, the following current directors of the Corporation also serve as directors of the following reporting issuers or reporting issuer equivalent(s):

| Name of Director | Reporting Issuer(s) or Equivalent(s) |
|------------------|---|
| Ian Telfer | Goldcorp Inc. |
| Gordon Keep | Encanto Potash Corp. Klondike Gold Corp. Northern Dynasty Minerals Ltd. Oceanic Iron Ore Corp. Rusoro Mining Ltd. Tekmodo Industries Inc. Uracan Resources Ltd. |

Ethical Conduct

As part of its responsibility for the stewardship of the Corporation, the Board seeks to foster a culture of ethical conduct by requiring the Corporation to carry out its business in line with high business and moral standards and applicable legal and financial requirements. The Board has formalized this in a written Code of Business Conduct and Ethics (the “**Code**”) adopted on April 27, 2015. The Code has been filed with regulators, in accordance with applicable legislation, and is available under the Corporation's profile on SEDAR at www.sedar.com.

The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to employees, consultants, officers and directors to help them recognize and deal with ethical issues; promoting a culture of honesty, integrity and accountability; and ensuring awareness of disciplinary action for violations of ethical business conduct.

The Board takes steps to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or an employee or consultant of the Corporation has a material interest, which include ensuring that such individuals are familiar with the Code and, in particular, rules concerning reporting conflicts of interest and obtaining direction from the Board or a member of senior management of the Corporation regarding any potential conflicts of interest.

The Code provides specific guidelines and policies for dealing with situations that may be encountered in the workforce in order to promote an open and positive work environment. The Code details the

Corporation's policies on: confidentiality, fair dealing, safety and health, and business and governmental relations, among other things.

The Code allows directors, officers, employees and consultants who feel a violation has occurred to report the actual or potential compliance infraction to the CEO, CFO, or any other senior officer designated from time to time, on a confidential, anonymous basis.

Orientation and Continuing Education

The Board recognizes the importance of ongoing director education and the need for each director to take personal responsibility for this process. The Corporation has not yet developed an official orientation or training program for new directors or a formal continuing education program for existing directors. Nevertheless, new directors will be provided, through discussions and meetings with other directors, officers and employees, with a thorough description of the Corporation's business, properties, assets, operations and strategic plans and objectives. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Board.

Nomination of Directors

The Corporate Governance & Nominating Committee is responsible for assisting the Board in respect of the nomination of directors and identifying new candidates for appointment to the Board. In that regard, the Corporate Governance & Nominating Committee is also responsible for identifying the competencies and skills required for nominees to the Board, with a view to ensuring that the Board is comprised of directors with the necessary skills and experience to facilitate effective decision-making. The Corporate Governance & Nominating Committee may retain external consultants or advisors to conduct searches for appropriate potential director candidates if necessary.

The Corporate Governance & Nominating Committee considers the size of the Board each year when it considers the number of directors to recommend to the Board for election. The criteria for selecting new directors reflects the requirements of the listing standards of the TSXV with respect to independence and the following factors:

- (a) the appropriate size of the Board;
- (b) the needs of the Corporation with respect to the particular talents and experience of its directors;
- (c) the personal and professional integrity of the candidate;
- (d) the level of education and/or business experience of the candidate;

- (j) diversity of experiences, expertise and background of the Board as a whole.

Compensation

The Corporate Governance & Nominating Committee is responsible for determining the compensation of directors and the CEO to be recommended to the Board for approval and for reviewing the CEO's recommendations regarding compensation of the other senior executives of the Corporation. The Corporate Governance & Nominating Committee generally reviews compensation paid to directors and chief executive officers of companies of similar size and stage of development in the oil and gas industry and determines appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Corporation. No formal compensation program or benchmarking has been established given the size and stage of the Corporation. In setting the compensation of the CEO, the Corporate

Governance & Nominating Committee will annually review the performance of the CEO and consider other factors which may have impacted the success of the Corporation in achieving its objectives.

For further details regarding the compensation of directors, as well as details regarding the Corporation's approach to the compensation of the CEO and the CFO, see "Executive Compensation – Oversight and Description of Director and Named Executive Officer Compensation" below.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Corporate Governance & Nominating Committee, through discussions without any formal objectives, criteria or analysis, is responsible for determining all forms of compensation to be granted to the directors of Renaissance to be recommended to the Board for approval. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and stage of development in the oil and gas industry, and the availability of financial and other resources of the Corporation.

Non-executive directors do not currently receive directors’ fees or fees for participation on Board committees. Long term incentives in the form of stock options are granted to non-executive directors from time to time, based on an existing complement of long term-incentives, corporate performance and to be competitive with other companies of similar size and scope. The Corporate Governance & Nominating Committee will periodically review the responsibilities and risks involved in being an effective director, and will report and make recommendations accordingly.

Compensation of NEOs

The Corporate Governance & Nominating Committee is responsible for determining all forms of compensation to be paid to the CEO, and for reviewing the CEO’s recommendations regarding compensation of the other NEOs of the Corporation, to ensure such arrangements reflect the responsibilities and risks associated with each position.

The key objectives of the Corporation’s executive compensation program are: (i) recruiting and retaining executives critical to the success of Renaissance and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and Renaissance

shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general. In order to achieve these objectives, the compensation paid to NEOs of Renaissance consists of base salary and/or long-term incentives in the form of stock options, as set out below.

The Corporation's executive compensation program is designed to retain, encourage, compensate and reward executives on the basis of individual and corporate performance, both in the short- and the long-term. Base salaries will be based on a number of factors enabling the Corporation to compete for and retain executives critical to the Corporation's long-term success. Share ownership opportunities through stock options will be provided to align the interests of executive officers with the longer term interests of shareholders.

In determining specific compensation amounts for executive officers, the Corporate Governance & Nominating Committee considers factors such as experience, individual performance, length of service, contribution towards the achievement of corporate objectives and positive exploration and development results, stock price, and compensation compared to other employment opportunities for executives.

Elements of NEO Compensation

Base Salary

The Corporation's NEOs each receive base salaries. The Corporate Governance & Nominating Committee reviews these salaries annually to ensure that they reflect each respective NEO's responsibilities, performance and experience in fulfilling his role. In determining the base salary for each NEO, the Corporate Governance & Nominating Committee take into consideration available market data for other companies of a similar size and nature, although a specific benchmark is not targeted and a formal peer group has not been established, and makes recommendations regarding the compensation of NEOs, for approval by the Board.

Long-Term Incentives

Long term incentives are performance-based grants of stock options. The Corporate Governance & Nominating Committee will recommend the number of stock options to be granted to the Corporation's executive officers, subject to approval by the Board.

In establishing the number of stock options to be granted to the NEOs, reference is made to the number of stock options granted to officers of other publicly-traded companies that, similar to Renaissance, are involved in the oil and gas industry, as well as those of other publicly-traded Canadian companies on a comparable size to that of Renaissance in respect of assets. The Board also considers previous grants of options and the overall number of options that are outstanding relative to the number of outstanding Common Shares in determining whether to make any new grants of stock options and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience and level of commitment of the NEO in determining the level of incentive stock option compensation.

For further details regarding the material terms of the Option Plan, see "Particulars of Matters to be Acted Upon – Approval of Stock Option Plan".

Pension Disclosure

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Corporation and none are proposed at this time.

SCHEDULE "A"

AUDIT COMMITTEE CHARTER

PURPOSE

The overall purpose of the Audit Committee (the "Committee") of Renaissance Oil Corp. (the "Company") is to ensure that the Company's management has designed and implemented an effective system of internal financial controls, to review and report on the integrity of the consolidated financial statements and related financial disclosure of the Company, and to review the Company's compliance with regulatory and statutory requirements as they relate to financial statements, taxation matters and disclosure of financial information. It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Company's Management to ensure that the independent auditors serve the interests of Shareholders rather than the interests of Management of the Company. The Committee will act as a liaison to provide better communication between the Board and the external auditors. The Committee will monitor the independence and performance of the Company's independent auditors.

COMPOSITION, PROCEDURES AND ORGANIZATION

- (1) The Committee shall consist of at least three members of the Board of Directors (the "Board").
- (2) At least two (2) members of the Committee shall be independent and the Committee shall endeavour to appoint a majority of independent directors to the Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Committee members' independent judgment. At least one (1) member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the Company. For the purposes of this Charter, an individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.
- (3) The Board, at its organizational meeting held in conjunction with each annual general meeting of the shareholders, shall appoint the members of the Committee for the ensuing year. The Board may at any time remove or replace any member of the Committee and may fill any vacancy in the Committee.
- (4) Unless the Board shall have appointed a chair of the Committee, the members of the Committee shall elect a chair and a secretary from among their number.
- (5) The quorum for meetings shall be a majority of the members of the Committee, present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak and to hear each other.
- (6) The Committee shall have access to such officers and employees of the Company and to the Company's external auditors, and to such information respecting the Company, as it considers to be necessary or advisable in order to perform its duties and responsibilities.
- (7) Meetings of the Committee shall be conducted as follows:
 - (a) the Committee shall meet at least four times annually at such times and at such locations as may be requested by the chair of the Committee. The external auditors or any member of the Committee may request a meeting of the Committee;
 - (b) the external auditors shall receive notice of and have the right to attend all meetings of the Committee; and
 - (c) management representatives may be invited to attend all meetings except private sessions with the external auditors.
- (8) The internal auditors and the external auditors shall have a direct line of communication to the Committee through its chair and may bypass management if deemed necessary. The Committee, through its chair, may contact directly any employee in the Company as it deems necessary, and

any employee may bring before the Committee any matter involving questionable, illegal or improper financial practices or transactions.
