AND

NOTICE OF ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS

OF

RENAISSANCE OIL CORP.

TO BE HELD ON DECEMBER 3, 2020

Dated: October 19, 2020

RENAISSANCE OIL CORP.

NOTICE OF ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that the annual general and special meeting (the “**Meeting**”) of the shareholders of Renaissance Oil Corp. (“**Renaissance**” or the “**Corporation**”) will be held as a virtual meeting on Thursday, December 3, 2020 at 10:00 a.m. (Vancouver time) for the following purposes:

1. to receive and consider the audited consolidated financial statements of the Corporation for the year ended December 31, 2019 and the report of the auditor thereon;
2. to fix the number of directors of the Corporation for the ensuing year at four;
3. to elect the directors of the Corporation for the ensuing year;
4. to appoint Deloitte LLP as auditor of the Corporation for the ensuing year and to authorize the directors to fix their remuneration;
5. to consider and, if deemed appropriate, to pass, with or without variation, an ordinary resolution approving the stock option plan of the Corporation, as described in the accompanying management information circular;
6. to consider and, if deemed appropriate, to pass, with or without variation, a special resolution approving an alteration to the articles of the Corporation relating to the advance notice provisions for the election of directors, as described in the accompanying management information circular; and
7. to transact such other business as may properly come before the Meeting or any adjournment or postponement thereof.

Specific details of the matters proposed to be put before the Meeting are set forth in the management information circular dated October 19, 2020 (the “**Circular**”). Shareholders are reminded to review the Circular before voting.

With the rapidly evolving public health crisis resulting from the global spread of the novel coronavirus (“**COVID-19**”), to mitigate risks to the health and safety of our communities, shareholders, employees and other stakeholders, we will hold the Meeting in a virtual only format. Shareholders wishing to attend the Meeting may do so by calling 1-877-407-2991 (toll-free North America) or 1-201-389-0925 (International) and instructions will be provided as to how shareholders entitled to vote at the Meeting may participate and vote at the Meeting. Shareholders will not be able to physically attend the Meeting.

The Board of Directors of the Corporation (the “**Board**”) has, by resolution, fixed the close of business on October 19, 2020 as the record date (the “**Record Date**”), for the determination of the registered holders of common shares entitled to receive notice of, and to vote at, the Meeting and any adjournment or postponement thereof. Only shareholders whose names have been entered in the register of shareholders and duly appointed proxyholders as of the close of business on the Record Date will be entitled to vote at the Meeting and any adjournment or postponement thereof. Just as they would be at an in-person meeting, registered shareholders and duly appointed proxyholders will be able to attend the virtual Meeting, submit questions online and vote virtually through the above-noted phone numbers.

Non-registered shareholders (being shareholders who beneficially own shares that are registered in the name of an intermediary such as a bank, trust company, securities broker or other nominee, or in the name of a depository of which the intermediary is a participant) who have not duly appointed themselves as proxyholder will be able to attend the Meeting online as guests, but guests will not be able to vote or ask questions at the Meeting.

In order to streamline the virtual meeting process, the Corporation requests that all shareholders who will not be attending the virtual Meeting complete, date and sign the form of proxy contained in the Notice Package (as defined herein) (in the return envelope provided for that purpose), or, alternatively, to vote by telephone, or over the internet, in each case in accordance with the instructions set out in the Notice Package. The completed proxy form must be deposited at the office of Computershare Investor Services Inc., 100 University Avenue 8th Floor, Toronto, Ontario, M5J 2Y1, by mail, or the proxy vote must otherwise be registered in accordance with the instructions set forth in the Notice Package. Non-registered

shareholders who receive the proxy-related materials through their broker or other intermediary should complete and send the form of proxy or voting instruction form delivered in the Notice Package in accordance with the instructions provided by their broker or intermediary. The Board has, by resolution, fixed 10:00 a.m. (Vancouver time) on December 1, 2020, or no later than 48 hours before the time of any adjourned or postponed Meeting (excluding Saturdays, Sundays and holidays), as the time before which proxies to be used or acted upon at the Meeting or any adjournment or postponement thereof must be deposited with the Corporation's transfer agent.

As described in the notice-and-access notification mailed to shareholders, the Corporation is using the notice-and-access provisions ("**Notice-and-Access**") under National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations* to distribute the Notice of Meeting and Circular to shareholders. Notice-and-Access allows the Corporation to post electronic versions of its proxy-related materials on SEDAR and on the Corporation's website, rather than mailing paper copies to shareholders. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and it will also reduce the Corporation's printing and mailing costs. Note that shareholders still have the right to request paper copies of the proxy-related materials posted online by the Corporation under Notice-and-Access if they so choose.

The Notice of Meeting, Circular and other proxy-related materials are available under the Corporation's profile on SEDAR at www.sedar.com and on the Corporation's website at www.renaissanceoil.com. As noted above, the Corporation will provide to any shareholder, free of charge, a paper copy of the Notice of Meeting and Circular upon request to the Corporation at 1-877-631-0970 or by email at anna@renaissanceoil.com up to one year from the date the Circular is filed on SEDAR. Shareholders who wish to receive a paper copy of the Notice of Meeting and Circular in advance of the Meeting should make such request to the Corporation by no later than November 12, 2020, in order to allow reasonable time to receive and review the Notice of Meeting and Circular prior to the proxy deadline of 10:00 a.m. (Vancouver time) on December 1, 2020. The Notice of Meeting and Circular will be sent to shareholders within three business days of their request if such request is made prior to the date of the Meeting. Following the Meeting, the Circular will be sent to such shareholders within 10 days of their request.

Shareholders will receive a paper copy of a notice package (the "**Notice Package**") under Notice-and-Access via pre-paid mail containing: (i) a notification regarding the Corporation's use of Notice-and-Access and how the proxy-related materials may be obtained, (ii) a form of proxy (if you are a registered shareholder) or a voting instruction form (if you are a non-registered shareholder), and (iii) a supplemental mailing list return card to elect to receive paper copies of the Corporation's financial statements and management's discussion and analysis.

The annual audited consolidated financial statements (the "**Annual Financial Statements**") and management's discussion and analysis ("**MD&A**") of the Corporation for the year ended December 31, 2019 were mailed to those shareholders who requested to receive them on May 6, 2020. Shareholders are able to request to receive copies of the Corporation's annual audited consolidated financial statements and management's discussion and analysis and/or interim consolidated financial statements and management's discussion and analysis by indicating (where marked) on the form of proxy or voting instruction form, as applicable, or through completing the supplemental mailing list return card distributed to shareholders in connection with the Meeting. The Annual Financial Statements and MD&A are available under the Corporation's profile on SEDAR at www.sedar.com and on the Corporation's website at www.renaissanceoil.com. Shareholders may also request paper copies of the Annual Financial Statements and MD&A, free of charge, by calling 1-877-631-0970 or via email at anna@renaissanceoil.com.

The Corporation reserves the right to take any additional precautionary measures in relation to the Meeting in response to further developments in respect of the COVID-19 outbreak that the Corporation considers necessary or advisable including changing the time, date or location of the Meeting. Changes to the Meeting time, date or location and/or means of holding the Meeting may be announced by way of news release. Please monitor the Corporation's news releases as well as its website at www.renaissanceoil.com for updated information. The Corporation advises you to check its website one week prior to the Meeting date for the most current information. The Corporation does not intend to prepare an amended Circular in the event of changes to the Meeting format.

DATED at Vancouver, British Columbia, this 19th day of October, 2020.

GENERAL PROXY MATTERS

Solicitation of Proxies

Proxies may be solicited by mail, telephone, email, facsimile or other electronic means. Proxies may be solicited personally by directors or regular employees of the Corporation. The cost of solicitation of proxies will be paid by the Corporation.

Appointment of Proxyholders

Registered Shareholders

Craig Steinke, Chief Executive Officer and Director, or failing him, Anna Tudela, Corporate Secretary, have agreed to act as the Renaissance proxyholders. **You have the right to appoint someone other than the persons designated in the form of proxy to attend and act on your behalf at the Meeting by printing the name of the person you want in the blank space provided. This person does not need to be a shareholder.**

Beneficial Shareholders

Although Beneficial Shareholders (as defined herein) may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder. In addition, Beneficial Shareholders who wish to vote at the Meeting are required to register themselves as proxyholder as described under the heading “Appointment of Third-Party as Proxy”.

Voting by Proxyholder

Registered Shareholders

On any ballot, your proxyholder must vote your Common Shares or withhold your vote according to your instructions and if you specify a choice on a matter, your Common Shares will be voted accordingly.

In respect of any matter for which a choice is not specified, the Renaissance proxyholder will vote in favour of such matter identified on the proxy and for the nominees of management for directors and auditor as identified in the proxy.

The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Circular, the management of Renaissance knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. **However, if any other matters which at present are not known to the management of Renaissance should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.**

If you appoint someone other than the Renaissance proxyholders to be your proxyholder, that person must attend and vote at the Meeting for your vote to be counted.

In light of ongoing concerns regarding the spread of COVID-19, the Corporation will hold its Meeting this year in a virtual only format. Shareholders and duly appointed proxyholders will not be able to physically attend the Meeting.

Only registered shareholders and duly appointed proxyholders as of the close of business on the Record Date (as defined herein) will be entitled to vote at the Meeting and any adjournment or postponement thereof. Just as they would be at an in-person meeting, registered shareholders and duly appointed proxyholders will be able to attend the virtual Meeting, submit questions online and vote virtually, all in real time, provided they are connected to the internet and comply with all of the requirements set out in this Circular. A registered shareholder or a Beneficial Shareholder who has appointed themselves or a third-party proxyholder to represent them at the Meeting, will appear on a list of shareholders prepared by Computershare (as defined below). To have their Common Shares voted at the Meeting, each registered shareholder or proxyholder will be required to enter their control number or other passcode prior to the start of the Meeting.

Beneficial Shareholders

Beneficial Shareholder who have not duly appointed themselves as proxyholders may attend the Meeting as guests. Guests will be able to listen to the Meeting but will not be able to vote or ask questions at the Meeting. This is because Computershare does not have a record of Beneficial Shareholder of the Corporation and, as a result, will have no knowledge of shareholdings or entitlement to vote, unless the Beneficial Shareholder appoints itself as proxyholder.

If you are a Beneficial Shareholder and wish to vote at the Meeting, you must (i) appoint yourself as proxyholder by inserting your own name in the space provided for appointing a proxyholder on the voting instruction form sent to you and follow all of the applicable instructions, including the deadline, provided by the intermediary/broker; and (ii) register with Computershare. See "Appointment of a Third-Party as Proxy" below for additional information on how Beneficial Shareholders can appoint themselves as proxyholder.

In order to streamline the virtual Meeting process, the Corporation encourages shareholders to vote in advance of the Meeting using the form of proxy or voting instruction form, as applicable, mailed to them. Shareholders wishing to attend the virtual Meeting may do so by calling 1-877-407-2991 (toll-free North America) or 1-201-389-0925 (International) and instructions will be provided as to how shareholders entitled to vote at the Meeting may participate and vote at the Meeting. If you attend the virtual Meeting, it is important that you remain connected to the conference line for the duration of the Meeting in order to vote when balloting commences. It is your responsibility to ensure that you remain connected. The Meeting will begin promptly at 10:00 a.m. (Vancouver time) on December 3, 2020, unless otherwise adjourned or postponed. You should allow ample time for the virtual log-in procedures prior to the start of the Meeting.

A summary of the information shareholders will need to attend the virtual Meeting is provided below.

- **Registered Shareholder** must log-in prior to the start of the Meeting and provide the control number located on the form of proxy.
- **Duly appointed proxyholders** will obtain from Computershare a passcode after the proxy voting deadline has passed and the proxyholder has been duly appointed AND registered as described in “Appointment of a Third-Party as Proxy” below.
- **Guests, including Beneficial Shareholders who have not duly appointed themselves as proxyholder** can listen to the Meeting, but will not be able to vote or ask questions.

Appointment of Third-Party as Proxy

Shareholders who wish to appoint themselves or a third-party proxyholder to represent them at the Meeting must submit their form of proxy or voting instruction form, as applicable, prior to registering the proxyholder. Registering the proxyholder is an additional step once the shareholder has submitted its proxy or voting instruction form, as applicable. Failure to register the proxyholder will result in the proxyholder not receiving a username to participate in the Meeting. To register a proxyholder, shareholders must visit the following link: <http://www.computershare.com/RenaissanceOil> by 10:00 a.m. (Vancouver time) on December 1, 2020 and provide Computershare with the proxyholder’s contact information, so that Computershare may provide the proxyholder with a passcode via email. Without a passcode, proxyholders will not be able to vote at the Meeting.

United States Beneficial Shareholders

To attend and vote at the Meeting, you must first obtain a valid legal proxy from your broker, bank or other agent and then register in advance to attend the Meeting. Follow the instructions from your broker or bank included with these materials, or contact your broker or bank to request a legal proxy form. After first obtaining a valid legal proxy from your broker, bank or other agent, to then register to attend the Meeting, you must submit a copy of your valid legal proxy to Computershare. Requests for registration should be directed to the Corporation’s transfer agent, Computershare Investor Services Inc. (“**Computershare**”) by mail at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by email at uslegalproxy@computershare.com.

Requests for registration must be labeled as “Legal Proxy” and be received no later than 10:00 a.m. (Vancouver time) on December 1, 2020. You will receive a confirmation of your registration by email after we receive your registration materials. You may attend the Meeting and vote during the Meeting. Please note that you are required to register your appointment at the following link: <http://www.computershare.com/RenaissanceOil>.

Changing Your Vote

Registered Shareholders

You can revoke your proxy by sending a new completed proxy form with a later date, or a written note signed by you or by your attorney if he or she has your written authorization. You can also revoke your proxy in any manner permitted by law.

If you represent a registered shareholder that is a corporation, your written note must have the seal of the corporation, if applicable, and must be executed by an officer or an attorney, authorized in writing. The written authorization must accompany the revocation notice.

The Corporation must receive the written notice of revocation any time up to and including the last business day before the day of the Meeting or the day the Meeting is reconvened if it is postponed or adjourned. Please send the written notice to the Corporation’s registered office at: Cassels Brock & Blackwell LLP, re: Renaissance Oil Corp., Suite 2200, 885 West Georgia Street, Vancouver, British Columbia, V6C 3E8.

If a registered shareholder attends the virtual Meeting, they must notify the operator if they wish to revoke any previously submitted proxies. In such a case, the registered shareholder will be provided the opportunity to vote by ballot on the matters put forth at the Meeting.

Beneficial Shareholders

Only registered shareholders have the right to revoke a proxy. Beneficial shareholders can change their vote by contacting your intermediary right away so they have enough time before the Meeting to arrange to change the vote and, if necessary, revoke the proxy.

Advice to Registered Shareholders

A proxy will not be valid unless it is signed by the registered shareholder, or by the registered shareholder's attorney with proof that they are authorized to sign. If you represent a registered shareholder that is a corporation, your proxy should have the seal of the corporation, if applicable, and must be executed by an officer or an attorney, authorized in writing. If you execute a proxy as an attorney for an individual registered shareholder, or as an officer or attorney of a registered shareholder that is a corporation, you must include the original or notarized copy of the written authorization for the officer or attorney with your proxy form.

If you are voting by proxy, send your completed proxy to Computershare by mail to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by toll free fax at 1-866-249-7775 in North America. You may also vote on the internet or by phone by following the instructions set out in the form of proxy. Computershare must receive your proxy by 10:00 a.m. (Vancouver time) on December 1, 2020, or 48 hours before the time the Meeting is reconvened if it is postponed or adjourned. The Chair of the Meeting has the discretion to accept late proxies.

Advice to Beneficial Shareholders

The information set forth in this section is of significant importance to many shareholders as a substantial number of shareholders do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this Circular as "**Beneficial Shareholders**") should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those Common Shares will not be registered in the shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Beneficial Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). The Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.

Applicable regulatory rules require intermediaries/brokers to seek voting instructions in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the Common Shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications Corporation ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote Common Shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such Common Shares are voted.**

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for

the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.

If you are a Beneficial Shareholder and wish to vote at the Meeting, you have to insert your own name in the blank space provided on the form of proxy or voting instruction form sent to you by your intermediary/broker, follow the applicable instructions provided by your intermediary/broker and register yourself as your proxyholder, as described below under the heading "Appointment of a Third-Party as Proxy".

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities that they own ("**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are ("**NOBOs**" for Non-Objecting Beneficial Owners).

Renaissance is not sending proxy-related materials directly to NOBOs in connection with the Meeting, but rather has distributed copies of the Notice Package (as defined herein) using Notice-and-Access (as defined herein) to intermediaries/brokers for distribution to NOBOs.

The Corporation will not pay for an intermediary to deliver proxy related materials and voting instruction forms to OBOs. OBOs have objected to their intermediary disclosing ownership information about themselves to the Corporation. Accordingly, OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

Notice-and-Access

The Corporation is availing itself of the "**Notice-and-Access**" provisions under National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations* ("**NI 51-102**") to distribute its proxy-related materials to shareholders.

Under Notice-and-Access, instead of the Corporation mailing paper copies of the proxy-related materials to shareholders, the materials can be accessed online under the Corporation's profile on SEDAR at www.sedar.com or on the Corporation's website at www.renaissanceoil.com. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and it will also reduce the Corporation's printing and mailing costs.

Shareholders will receive a paper copy of a notice package (the "**Notice Package**") under Notice-and-Access via pre-paid mail containing: (i) a notification regarding the Corporation's use of Notice-and-Access and how the proxy-related materials may be obtained, (ii) a form of proxy (if you are a registered shareholder) or a voting instruction form (if you are a beneficial shareholder), and (iii) a supplemental mailing list return card to elect to receive paper copies of the Corporation's financial statements and management's discussion and analysis.

Shareholders will not receive a paper copy of the Notice of Meeting or Circular unless they contact the Corporation, at 1-877-631-0970 or by email at anna@renaissanceoil.com. For shareholders who wish to receive a paper copy of the Circular in advance of the voting deadline for the Meeting, requests must be received no later than November 12, 2020, in order to allow reasonable time to receive and review the Notice of Meeting and Circular prior to the proxy deadline of 10:00 a.m. (Vancouver time) on December 1, 2020. The Notice of Meeting and Circular will be sent to shareholders within three business days of their request if such request is made prior to the date of the Meeting. Following the Meeting, the Circular will be sent to such shareholders within 10 days of their request. Shareholders with questions about Notice-and-Access may contact the Corporation at 1-877-631-0970 or by email at anna@renaissanceoil.com.

Record Date and Shares Entitled to Vote

The board of directors of Renaissance (the "**Board**") has fixed the close of business on October 19, 2020 as the record date for the purposes of determining shareholders entitled to receive notice of the Meeting and vote at the Meeting (the "**Record Date**").

Only shareholders of record as of the Record Date, who either attend the Meeting personally or complete and deliver a form of proxy in the manner and subject to the provisions described above, will be entitled to vote or to have their Common Shares voted at the Meeting.

Quorum and Approval

A quorum of shareholders is required to transact business at the Meeting. A quorum is two persons who are, or who represent by proxy, shareholders who are entitled to vote at the Meeting.

A simple majority (50% plus 1) of the votes cast at the Meeting is required to approve all items of business.

Shares Outstanding and Principal Holders

The authorized share capital of the Corporation consists of an unlimited number of Common Shares without par value, each carrying the right to one vote, and an unlimited number of preferred shares. As of October 19, 2020, there were a total of 353,339,509 Common Shares issued and outstanding and no preferred shares issued and outstanding. The Corporation has no other classes of voting securities.

To the knowledge of the directors and executive officers of the Corporation, as of the date of this Circular, no person or company owns, or controls or directs, directly or indirectly, 10% or more of the Corporation's outstanding Common Shares, other than the following shareholder:

Name and Municipality of Residence	Number of Common Shares Owned or Controlled	Percentage of Outstanding Common Shares
Craig Steinke Vancouver, British Columbia	36,129,737 ⁽¹⁾	10.2%

- (1) Mr. Steinke owns, directly, 6,079,737 Common Shares and, indirectly, through Reconnaissance Energy Corporation, a corporation under his control and direction, 30,000,000 Common Shares. Mr. Steinke also controls, indirectly, an aggregate of 50,000 Common Shares owned by family members.

Interest of Certain Persons in Matters to be Acted Upon

None of the following persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, other than directors and executive officers of the Corporation having an interest in the resolutions regarding the approval of the Corporation's stock option plan as such persons are eligible to participate in such plan:

- (a) any director or executive officer of the Corporation who has held such position at any time since January 1, 2019;
- (b) any proposed nominee for election as a director of the Corporation; or
- (c) any associate or affiliate of a person in (a) or (b).

Interest of Informed Persons in Material Transactions

Except as set out below, the Corporation is not aware of any informed person or any proposed nominee for election as a director of the Corporation, or any associate or affiliate of the foregoing, who has had a material interest, direct or indirect, in any transaction entered into since January 1, 2019 or any proposed transaction, which has materially affected or would materially affect the Corporation.

An "informed person" means: (a) a director or executive officer of the Corporation; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Corporation; (c) any person or company who beneficially owns, or controls or directs, directly or indirectly, voting securities of the Corporation or a combination of both, carrying more than 10% of the voting rights attached to all outstanding voting securities of the Corporation other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Corporation itself, if it has purchased, redeemed or otherwise acquired any of its shares, for so long as it holds any of its shares.

On June 16, 2020, the Corporation entered into a binding letter agreement (the "**Letter Agreement**") with Reconnaissance Energy Corporation (the "**Assignor**"), a private company controlled by Mr. Craig Steinke of PH412, 3603 West 27th Avenue, Vancouver, BC V6S 1R2, the Chief Executive Officer and Director of Renaissance, to acquire an option exercisable for a 50% working interest in all rights from surface to basement, in a petroleum licence comprising approximately 2.45 million acres in the Kavango sedimentary basin, in Botswana, Africa (the "**Licence**").

Pursuant to the Letter Agreement, the Assignor agreed to assign to the Corporation, its interest in a farmout option agreement (the "**Option Agreement**") dated June 10, 2020 between the Assignor and Reconnaissance Energy Botswana (Pty) Ltd. ("**ReconBotswana**"), a subsidiary of Reconnaissance Energy Africa Ltd., in consideration for C\$100,000 and the issuance of 30,000,000 Common Shares (the

“**Consideration Shares**”) at a deemed price of C\$0.04 per share, for an aggregate purchase price of C\$1,300,000 (the “**Transaction**”). The Assignor has advised the Corporation that it acquired its interest in the Option Agreement at a cost of approximately US\$530,000. The Transaction closed on September 16, 2020.

The Option Agreement provides Renaissance with the option to acquire a 50% working interest in the Licence (the “**Option**”), exercisable at any time within 36 months upon: (i) payment of C\$1,000,000, if the Option is exercised within 18 months of the date that the Licence was awarded to ReconBotswana, or C\$1,500,000 if the Option is exercised after 18 months; and (ii) the approval of the Botswana Department of Mines and Ministry of Mineral Resources, Green Technology and Energy Security.

The Transaction constituted a “related party transaction”, as such term is defined in Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). In respect of the requirements of MI 61-101, the Corporation relied on the exemptions from the formal valuation and minority shareholder approval requirements under MI 61-101. The Corporation was exempt from the formal valuation requirements and the minority shareholder approval requirements of MI 61-101 on the basis that the fair market value of the consideration payable to the related party does not exceed 25% of the Corporation’s market capitalization, as determined in accordance with MI 61-101.

As a result of the issuance of the Consideration Shares, Mr. Steinke’s beneficial ownership of, or control or direction over, the Common Shares increased to more than 10%. See “General Proxy Matters – Shares Outstanding and Principal Holders”.

PARTICULARS OF MATTERS TO BE ACTED UPON

Election of Directors and Fixing the Number of Directors

The Board presently consists of four directors.

The persons named in the enclosed form of proxy intend to vote in favour of fixing the number of directors at four and the Board has nominated four individuals, named in the table below, to stand for election as directors. The nominees include each of the existing directors of the Corporation. Each elected director will serve for a one-year term which will expire at the next annual general meeting or once a successor is elected or appointed, or if the elected director otherwise ceases to be a director in accordance with the Articles of the Corporation or the provisions of the *Business Corporations Act* (British Columbia). Each of the nominated directors has confirmed his willingness to serve on the Board for the next year.

Advance Notice Provisions

The Corporation’s advance notice provisions (the “**Advance Notice Provisions**”) contained in its articles include, among other things, a provision that requires advance notice be given to the Corporation in circumstances where nomination of persons for election to the Board are made by shareholders of the Corporation. The Advance Notice Provisions set a deadline by which shareholders must submit nominations (a “**Notice**”) for the election of directors to the Corporation prior to any annual meeting of shareholders. In the case of an annual meeting of shareholders, a Notice must be provided to the Corporation not less than 30 days and not more than 65 days prior to the date of the annual meeting. As of the date of this Circular, the Corporation has not received notice of a nomination in compliance with the Advance Notice Provisions.

In connection with certain recommended Canadian corporate governance best practices, the Board has determined it appropriate and in the best interests of the shareholders that the Advance Notice Provisions be amended. At the Meeting, shareholders will be asked to consider and, if deemed appropriate, to pass, with or without variation, the Advance Notice Provisions Amendment Resolution (as defined below). For more information, please see the description in the section entitled “Particulars of Matters to be Acted Upon – Advance Notice Provisions Amendment” of this Circular. In the event that the shareholders do not approve the Advance Notice Provisions Amendment Resolution, the current Advance Notice Provisions will remain in effect.

Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Common Shares represented by such form of proxy, properly executed, FOR fixing the number of directors of the Corporation at four and FOR the election of the four director nominees.

The following provides information on the four director nominees including: (i) their province or state and country of residence; (ii) the period during which each has served as a director; (iii) their membership on committees of the Board; (iv) their present principal occupation, business or employment and in the last five years; and (v) their current equity ownership consisting of Common Shares, options and common share purchase warrants (“**Warrants**”) beneficially owned, controlled or directed, directly or indirectly.

Cease Trade Orders, Bankruptcies, Penalties or Sanctions

Except as set out below, no proposed director:

- (a) is, as of the date of this Circular, or has been, within 10 years before the date of this Circular, a director, chief executive officer or chief financial officer of any company (including the Corporation) that
- (a) was subject to an order that was issued while the proposed director was acting in the capacity of director, chief executive officer or chief financial officer; or
 - (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity of director, chief executive officer or chief financial officer; or
- (b) is, at the date of this Circular, or has been within 10 years before the date of this Circular, a director or an executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (c) has within 10 years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Gordon Keep, was a director of Rusoro Mining Ltd. (“**Rusoro**”) on May 21, 2013 when the British Columbia Securities Commission (“**BCSC**”) issued a cease trade order against Rusoro for failure to file its audited financial statements for the year ended December 31, 2012 and related MD&A. On June 5, 2013 and June 7, 2013, respectively, similar cease trade orders were issued against Rusoro by the Ontario Securities Commission (“**OSC**”) and the Autorite des Marches Financiers (“**AMF**”). On August 21, 2013 (BCSC), August 28, 2013 (AMF) and September 4, 2013 (OSC) granted full revocations of the cease trade order issued by each of them. Rusoro was unable to file its December 31, 2012 financial statements and MD&A by the required filing deadline because it experienced significant delays in preparing them due to the nationalization by the Venezuelan government of Rusoro’s gold mining assets in Venezuela.

Allan Folk was a director of Oremex Silver Inc. (“**Oremex**”) which became subject to a cease trade order issued by the BCSC on June 3, 2014 for failure to file certain financial statements and management’s discussion and analysis. On September 2, 2014, a similar cease trade order was issued against Oremex by the Alberta Securities Commission. The cease trade orders were revoked on February 9, 2016.

Mr. Folk was Chairman and CEO of Atlanta Gold Inc., until his resignation June 2, 2019, which became subject to a cease trade order issued by the OSC on May 6, 2019 for failure to file certain financial statements and management’s discussion and analysis, such cease trade order also having effect in Alberta, British Columbia and Quebec. The cease trade order is still in effect today.

No proposed director has been subject to any penalties or sanctions imposed by a court relating to Canadian securities legislation or by a Canadian securities regulatory authority or has entered into a settlement agreement with a Canadian securities regulatory authority or been subject to any other penalties or sanctions imposed by a court, or regulatory body that would likely be considered important to a reasonable securityholder in deciding to vote for a proposed director, other than Ian Telfer, who entered into a settlement agreement with staff of the OSC in September 2013 with respect to allegations that he acted contrary to the public interest in connection with a share transaction in 2008. Mr. Telfer cooperated fully with staff and, pursuant to the settlement agreement, paid \$200,000 towards the costs of the investigation.

Appointment and Remuneration of the Auditor

At the Meeting, shareholders will be asked to approve the appointment of Deloitte LLP as the independent auditor of the Corporation to hold office until the 2021 annual meeting with remuneration to be approved by the Board. Deloitte LLP has been the independent auditor of the Corporation since November 6, 2014.

Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Common Shares represented by such form of proxy, properly executed, FOR the appointment of Deloitte LLP as the Corporation’s independent auditor to hold office until the 2019 annual meeting with remuneration to be approved by the Board.

Approval of Stock Option Plan

The Option Plan

Effective September 12, 2014, the Board adopted a stock option plan dated August 12, 2014 (the “**Option Plan**”) which was approved by shareholders of Renaissance at the special meeting of shareholders held on September 12, 2014 and last approved at the special meeting of shareholders held on December 5, 2019. The Option Plan was prepared in accordance with current policies of the TSX Venture Exchange (the “**TSXV**”). A copy of the Option Plan is available upon request by any shareholder at no charge, or may be reviewed at the Corporation’s registered office during normal business hours until the date of the Meeting.

The Option Plan is a “rolling” stock option plan which sets the number of options available for grant by the Corporation at an amount equal to up to a maximum of 10% of the Corporation’s issued and outstanding Common Shares from time to time, less any Common Shares reserved for issuance under other share compensation arrangements. Under TSXV policies, the Option Plan must be approved by the Corporation’s shareholders on an annual basis. Therefore, shareholders are being asked to approve the Option Plan (with no amendments) at the Meeting.

The purpose of the Option Plan is to promote the profitability and growth of the Corporation by facilitating the efforts of Renaissance to attract and retain key individuals. The Option Plan provides an incentive for and encourages ownership of Common Shares by its key individuals so that they may increase their stake

in the Corporation and benefit from increases in the value of the Common Shares. Directors, officers, employees, consultants and eligible charitable organizations (as such terms are defined in the Option Plan) are eligible to be granted stock options under the Option Plan.

Pursuant to the Option Plan: (i) the aggregate number of options granted to any one person (and companies wholly-owned by that person) pursuant to the Option Plan and any other share compensation arrangement in a 12-month period must not exceed 5% of the issued Common Shares calculated on the date an option is granted to the person (unless the Corporation has obtained the requisite disinterested shareholder approval); (ii) the aggregate number of options granted to any one consultant in a 12-month period pursuant to the Option Plan and any other share compensation arrangement must not exceed 2% of the issued Common Shares, calculated on the date an option is granted to the consultant; (iii) the aggregate number of options granted to all persons retained to provide investor relations activities in any 12-month period pursuant to the Option Plan and any other share compensation arrangement must not exceed 2% of the issued Common Shares, calculated on the date an option is granted to any such person; and (iv) the aggregate number of options granted to all eligible charitable organizations in any 12-month period pursuant to the Option Plan and any other share compensation arrangement must not exceed 1% of the issued Common Shares, calculated on the date an option is granted to any such person. Subject to the Option Plan and otherwise in compliance with the policies of the TSXV, the Board shall determine the manner in which an option shall vest and become exercisable. Options granted to consultants performing investor relations activities shall vest over a minimum of 12 months with no more than one-quarter (1/4) of such options vesting in any three-month period. All options are non-assignable and non-transferable. Disinterested shareholder approval will be obtained for any reduction in the exercise price of a stock option if the optionee is an insider of the Corporation at the time of the proposed amendment.

Subject to a minimum exercise price of \$0.05 per Common Share, the exercise price per Common Share for an option shall be not less than the "Market Price" as calculated pursuant to the TSXV policies at the date of grant.

Every option granted under the Option Plan shall have a term not exceeding and shall therefore expire no later than 10 years after the date of grant (subject to extension where the expiry date falls within a "blackout period"). An option will be automatically extended past its expiry date if such expiry date falls within a "blackout period" during which the Corporation prohibits optionees from exercising their options, subject to the following requirements: (a) the blackout period must (i) be formally imposed by the Corporation pursuant to its internal trading policies; and (ii) expire upon the general disclosure of undisclosed material information; and (b) the automatic extension of an option will not be permitted where the optionee or the Corporation is subject to a cease trade order (or similar order under securities laws) in respect of the Corporation's securities.

The Option Plan contains provisions for adjustment in the number of Common Shares or other property issuable on exercise of a stock option in the event of a share consolidation, split, reclassification or other capital reorganization, or a stock dividend, amalgamation, merger or other relevant corporate transaction, or any other relevant change in or event affecting the Common Shares.

Upon the occurrence of, among other things, a take-over bid, amalgamation, merger, arrangement or other business combination (each an "**Accelerated Vesting Event**"), the Board will have the power, at its sole discretion and without being required to obtain the approval of shareholders or the holder of any stock option, to make such changes to the terms of stock options as it considers fair and appropriate in the circumstances, including but not limited to: (a) accelerating the vesting of stock options, conditionally or unconditionally; (b) terminating every stock option if under the transaction giving rise to the Accelerated Vesting Event, options in replacement of the stock options are proposed to be granted to or exchanged with the holders of stock options, which replacement options treat the holders of stock options in a manner which the Board considers fair and appropriate in the circumstances having regard to the treatment of holders of Common Shares under such transaction; (c) otherwise modifying the terms of any stock option to assist the holder to tender into any take-over bid or other transaction constituting an Accelerated Vesting Event; or (d) following the successful completion of such Accelerated Vesting Event, terminating any stock option to the extent it has not been exercised prior to successful completion of the Accelerated Vesting Event. The determination of the Board in respect of any such Accelerated Vesting Event will for the purposes of the Option Plan be final, conclusive and binding.

In connection with the exercise of an option, as a condition to such exercise the Corporation will require the optionee to pay to the Corporation an amount as necessary so as to ensure that the Corporation is in compliance with the applicable provisions of any federal, provincial or local laws relating to the withholding of tax or other required deductions relating to the exercise of such option.

According to the Option Plan, if a director, officer, employee or consultant is terminated for cause, then each option held by such participant shall terminate and shall therefore cease to be exercisable upon such termination for cause. If an optionee dies prior to otherwise ceasing to be an eligible person, each option held by such optionee shall terminate and shall therefore cease to be exercisable no later than the earlier of the expiry date and the date which is 12 months after the date of the optionee's death. Unless an option agreement specified otherwise, if an optionee (other than an optionee who is involved in investor relations activities) ceases to be an eligible person for any reason other than death or termination for cause, each option held by such optionee shall cease to be exercisable 90 days after such terminating event or for a reasonable period after the optionee ceases to serve in such capacity, as determined by the Board. If an optionee involved in investor relations activities ceases to be an eligible person for any reason other than death or termination for cause, each option held by such optionee shall cease to be exercisable 30 days after such terminating event or for a reasonable period after the optionee ceases to serve in such capacity, as determined by the Board.

If any portion of an option is not vested at the time an optionee ceases, for any reason whatsoever, to be an eligible person, such unvested portion of the option may not be thereafter exercised by the optionee or its legal representative, as the case may be, provided that the Board may, in its discretion, thereafter permit the optionee or its legal representative, as the case may be, to exercise all or any part of such unvested portion of the option that would have vested prior to the time such option otherwise terminates.

Stock options granted to an eligible charitable organization must expire after the earlier of a date that is not more than 10 years from the grant date of such option and the 90th day that the holder of such option ceases to be an eligible charitable organization.

Shareholder Approval Being Sought

As of October 19, 2020, 353,339,509 Common Shares were issued and outstanding. As of such date, the number of Common Shares issuable upon exercise of stock options that may be granted under the Option Plan was 35,333,950 or 10% of such number. As of such date, the Corporation had 31,125,000 options outstanding under the Option Plan (representing approximately 8.8% of the issued and outstanding Common Shares).

At the Meeting, shareholders will be asked to consider and, if deemed appropriate, to pass, with or without variation, a resolution, in the form set out below (the "**Option Plan Resolution**"), subject to such amendments, variations or additions as may be approved at the Meeting, approving the Option Plan.

The Board and management recommend the approval of the Option Plan.

To be effective, the Option Plan Resolution must be approved by not less than a majority of the votes cast by the holders of Common Shares present in person, or represented by proxy, at the Meeting. **Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Common Shares represented by such form of proxy, properly executed, FOR the Option Plan Resolution.**

The text of the Option Plan Resolution to be submitted to shareholders at the Meeting is set forth below:

"BE IT RESOLVED THAT:

1. Subject to regulatory approval, the Option Plan pursuant to which the directors may, from time to time, authorize the issuance of options to directors, officers, employees and consultants of the Corporation and its subsidiaries to a maximum of 10% of the issued and outstanding Common Shares at the time of the grant, be and is hereby ratified, confirmed and approved; and
2. Any director or officer of the Corporation is hereby authorized and directed, acting for, in the name of, and on behalf of, the Corporation, to execute or cause to be executed, and to deliver or cause to be delivered, such other documents and instruments, and to do or cause to be done all such

acts and things, as may in the opinion of such director or officer be necessary or desirable to carry out the intent of the foregoing resolution.”

Advance Notice Provisions Amendment

On September 12, 2014, the shareholders of the Corporation approved the adoption of the articles of the Corporation, containing the Advance Notice Provisions. Among other things, the Advance Notice Provisions include a provision that requires advance notice be given to the Corporation in circumstances where nominations of persons for election to the Board are made by shareholders of the Corporation. The Advance Notice Provisions set a deadline by which shareholders must submit nominations for the election of directors to the Corporation prior to any annual meeting of shareholders. The purpose of the Advance Notice Provisions is not to discourage shareholder nominations, but rather to facilitate an organized and efficient meeting process.

In connection with certain recommended Canadian corporate governance best practices, the Board has determined it appropriate and in the best interests of the shareholders that the Advance Notice Provisions be amended to remove any requirement that a nominating shareholder provide nominations within a maximum period of time (the “**Advance Notice Provisions Amendment**”). The substance of the Advance Notice Provisions will otherwise remain unchanged from what was previously adopted by shareholders on September 12, 2014.

At the Meeting, shareholders will be asked to consider, and, if deemed appropriate, to pass, with or without variation, a special resolution, in the form set out below (the “**Advance Notice Provisions Amendment Resolution**”), subject to such amendments, variations or additions as may be approved at the Meeting, approving the Advance Notice Provisions Amendment. In the event that shareholders do not approve the Advance Notice Provisions Amendment Resolution at the Meeting, the current Advance Notice Provisions will remain in effect.

The Board and management recommend the approval of the Advance Notice Provisions Amendment Resolution.

To be effective, the Advance Notice Provisions Amendment Resolution must be approved by not less than 66^{2/3}% of the votes cast by holders of Common Shares present in person, or represented by proxy, at the Meeting. **Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Common Shares represented by such form of proxy, properly executed, FOR the Advance Notice Provisions Amendment Resolution.**

The text of the Advance Notice Provisions Amendment Resolution to be submitted to shareholders at the Meeting is set forth below:

“BE IT RESOLVED THAT:

1. The articles of the Corporation be altered by deleting the words “nor more than 65” from subsection 26.1(3)(a) of Article 26, such alteration to be effective upon the deposit at the records office of the Corporation by the Board of this special resolution and the text of such amended subsection 26.1(3)(a) of Article 26; and
2. Any director or officer of the Corporation is hereby authorized and directed, acting for, in the name of, and on behalf of, the Corporation, to execute or cause to be executed, and to deliver or cause to be delivered, such other documents and instruments, and to do or cause to be done all such acts and things, as may in the opinion of such director or officer be necessary or desirable to carry out the intent of the foregoing resolution.”

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Corporation’s shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Corporation.

National Policy 58-201 – *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies (the “**Guidelines**”). National Instrument 58-101 – *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices which disclosure is set out below, in accordance with Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)*.

Directors

A director is independent if he or she has no direct or indirect material relationship with the Corporation that the Board believes could reasonably be perceived to materially interfere with his or her ability to exercise independent judgment. Applicable securities laws set out certain situations where a director is deemed to have a material relationship with the Corporation.

Of the proposed nominees for directors of the Corporation, Ian Telfer, Gordon Keep and Allan Folk are considered to be independent under applicable securities laws. Craig Steinke is not considered to be independent under applicable securities laws as he is also the Chief Executive Officer of the Corporation.

Other Directorships

In addition to their positions on the Board, the following current directors of the Corporation also serve as directors of the following reporting issuer(s) or reporting issuer equivalent(s):

Name of Director	Reporting Issuer(s) or Equivalent(s)
Gordon Keep	Klondike Gold Corp. NGX Energy International Corp. Northern Dynasty Minerals Ltd. Oceanic Iron Ore Corp. Rusoro Mining Ltd. Vanadian Energy Corp.

Ethical Conduct

As part of its responsibility for the stewardship of the Corporation, the Board seeks to foster a culture of ethical conduct by requiring the Corporation to carry out its business in line with high business and moral standards and applicable legal and financial requirements. The Board has formalized this in a written Code of Business Conduct and Ethics (the “**Code**”) adopted on April 27, 2015. The Code has been filed with regulators, in accordance with applicable legislation, and is available under the Corporation’s profile on SEDAR at www.sedar.com.

The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to employees, consultants, officers and directors to help them recognize and deal with ethical issues; promoting a culture of honesty, integrity and accountability; and ensuring awareness of disciplinary action for violations of ethical business conduct.

The Board takes steps to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or an employee or consultant of the Corporation has a material interest, which include ensuring that such individuals are familiar with the Code and, in particular, rules concerning reporting conflicts of interest and obtaining direction from the Board or a member of senior management of the Corporation regarding any potential conflicts of interest.

The Code provides specific guidelines and policies for dealing with situations that may be encountered in the workforce in order to promote an open and positive work environment. The Code details the Corporation’s policies on: confidentiality, fair dealing, safety and health, and business and governmental relations, among other things.

The Code allows directors, officers, employees and consultants who feel a violation has occurred to report the actual or potential compliance infraction to the CEO, CFO, or any other senior officer designated from time to time, on a confidential, anonymous basis.

Orientation and Continuing Education

The Board recognizes the importance of ongoing director education and the need for each director to take personal responsibility for this process. The Corporation has not yet developed an official orientation or training program for new directors or a formal continuing education program for existing directors. Nevertheless, new directors will be provided, through discussions and meetings with other directors, officers and employees, with a thorough description of the Corporation's business, properties, assets, operations and strategic plans and objectives. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Board.

Nomination of Directors

The Corporation's corporate governance & nominating committee (the "**Corporate Governance & Nominating Committee**") is responsible for assisting the Board in respect of the nomination of directors and identifying new candidates for appointment to the Board. In that regard, the Corporate Governance & Nominating Committee is also responsible for identifying the competencies and skills required for nominees to the Board, with a view to ensuring that the Board is comprised of directors with the necessary skills and experience to facilitate effective decision-making. The Corporate Governance & Nominating Committee may retain external consultants or advisors to conduct searches for appropriate potential director candidates if necessary.

The Corporate Governance & Nominating Committee considers the size of the Board each year when it considers the number of directors to recommend to the Board for election. The criteria for selecting new directors reflects the requirements of the listing standards of the TSXV with respect to independence and the following factors:

- (a) the appropriate size of the Board;
- (b) the needs of the Corporation with respect to the particular talents and experience of its directors;
- (c) the personal and professional integrity of the candidate;
- (d) the level of education and/or business experience of the candidate;
- (e) the broad-based business acumen of the candidate;
- (f) the level of the candidate's understanding of the Corporation's business and the industry in which it operates and other industries relevant to the Corporation's business;
- (g) the ability and willingness of the candidate to commit adequate time to the Board and committee matters;
- (h) the fit of the individual's skills and personality with those of other directors and potential directors so that the Board is effective, collegial and responsive to the needs of Renaissance;
- (i) the candidate's ability to think strategically and a willingness to share ideas; and
- (j) diversity of experiences, expertise and background of the Board as a whole.

Compensation

The Corporate Governance & Nominating Committee is responsible for determining the compensation of directors and the CEO to be recommended to the Board for approval and for reviewing the CEO's recommendations regarding compensation of the other senior executives of the Corporation. The Corporate Governance & Nominating Committee generally reviews compensation paid to directors and chief executive officers of companies of similar size and stage of development in the oil and gas industry and determines appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Corporation. No formal compensation program or benchmarking has been established given the size and stage of the Corporation. In setting the compensation of the CEO, the Corporate Governance & Nominating Committee will annually review the performance of the CEO and consider other factors which may have impacted the success of the Corporation in achieving its objectives.

For further details regarding the compensation of directors, as well as details regarding the Corporation's approach to the compensation of the CEO and the CFO, see "Executive Compensation – Oversight and Description of Director and Named Executive Officer Compensation" below.

Board Committees

The Board has established two standing committees to assist it in carrying out its mandate: the Audit Committee and the Corporate Governance & Nominating Committee.

As of October 19, 2020, the Audit Committee is comprised of Messrs. Telfer (Chair), Keep and Folk and the Corporate Governance & Nominating Committee is comprised of Messrs. Telfer (Chair) and Keep. In addition to the standing committees of the Board, independent committees will be appointed from time to time, when appropriate.

Assessments

The Board does not formally review the contributions of individual directors; however, it believes that its current size facilitates informal discussion and evaluation of members' contributions within that framework. Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Corporate Governance & Nominating Committee, through discussions without any formal objectives, criteria or analysis, is responsible for determining all forms of compensation to be granted to the directors of the Corporation to be recommended to the Board for approval. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and stage of development in the oil and gas industry, and the availability of financial and other resources of the Corporation.

Non-executive directors do not currently receive directors' fees or fees for participation on Board committees. Long-term incentives in the form of stock options are granted to non-executive directors from time to time, based on an existing complement of long-term incentives, corporate performance and to be competitive with other companies of similar size and scope. The Corporate Governance & Nominating Committee will periodically review the responsibilities and risks involved in being an effective director, and will report and make recommendations accordingly.

Compensation of NEOs

The Corporate Governance & Nominating Committee is responsible for determining all forms of compensation to be paid to the CEO, and for reviewing the CEO's recommendations regarding compensation of the other NEOs of the Corporation, to ensure such arrangements reflect the responsibilities and risks associated with each position.

The key objectives of the Corporation's executive compensation program are: (i) recruiting and retaining executives critical to the success of the Corporation and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Corporation's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general. In order to achieve these objectives, the compensation paid to NEOs consists of base salary, bonus and/or long-term incentives in the form of stock options, as set out below.

The Corporation's executive compensation program is designed to retain, encourage, compensate and reward executives on the basis of individual and corporate performance, both in the short- and the long-term. Base salaries will be based on a number of factors enabling the Corporation to compete for and retain executives critical to the Corporation's long-term success. Share ownership opportunities through stock options will be provided to align the interests of executive officers with the longer term interests of shareholders.

In determining specific compensation amounts for NEOs, the Corporate Governance & Nominating Committee considers factors such as experience, individual performance, length of service, contribution towards the achievement of corporate objectives and positive exploration and development results, stock price and compensation compared to other employment opportunities for executive officers.

Elements of NEO Compensation

Base Salary

The Corporation's NEOs each receive base salaries. The Corporate Governance & Nominating Committee reviews these salaries annually to ensure that they reflect each respective NEO's responsibilities, performance and experience in fulfilling his or her role. In determining the base salary for each NEO, the Corporate Governance & Nominating Committee take into consideration available market data for other companies of a similar size and nature, although a specific benchmark is not targeted and a formal peer group has not been established, and makes recommendations regarding the compensation of NEOs, for approval by the Board.

Bonus

The Corporation's NEOs are eligible to receive an annual discretionary bonus, payable in cash. In determining whether to grant an annual bonus to a NEO and, if so, the amount of such grant, the Corporate Governance & Nominating Committee reviews each NEO's responsibilities, performance, experience in fulfilling their role and respective contributions to the Corporation's success, while also taking into account the financial and operating performance of the Corporation. The base salary and stock options granted to an NEO, along with overall compensation as a whole, are considered when determining annual bonus grants, along with the annual bonuses granted to officers of other publicly-traded companies that, similar to the Corporation, are involved in the oil and gas industry, as well as those of other publicly-traded Canadian companies of a comparable size to that of the Corporation in respect of assets. The Corporate Governance & Nominating Committee makes recommendations regarding annual bonuses for NEOs, for approval by the Board.

Long-Term Incentives

Long-term incentives are performance-based grants of stock options. The Corporate Governance & Nominating Committee will recommend the number of stock options to be granted to the Corporation's executive officers, subject to approval by the Board.

In establishing the number of stock options to be granted to the NEOs, reference is made to the number of stock options granted to officers of other publicly-traded companies that, similar to the Corporation, are involved in the oil and gas industry, as well as those of other publicly-traded Canadian companies of a comparable size to that of the Corporation in respect of assets. The Board also considers previous grants of options and the overall number of options that are outstanding relative to the number of outstanding Common Shares in determining whether to make any new grants of stock options and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience and level of commitment of the NEO in determining the level of incentive stock option compensation.

Pension Disclosure

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Corporation and none are proposed at this time.
